

NO 517

**PROTECT YOUR SPEECH
AND PROPERTY RIGHTS**

Please consider voting NO on Initiative 517

-  **INITIATIVE 517 is initiative promoter Tim Eyman's latest bad idea aimed at increasing the profitability of the signature gathering business by making irresponsible changes to our initiative process.**
-  **I-517 allows aggressive paid signature gatherers to harass customers on our property.**
-  **With I-517, any attempt to stop aggressive signature gathering — by us or by you — could be a crime.**
-  **We want you to continue visiting our store without fear of harassment. Please read Initiative 517 and consider voting NO in November.**
