**PROTECT YOUR SPEECH  
AND PROPERTY RIGHTS**

## **Some Places Should Be Free of Politics**

-  **INITIATIVE 517 prevents business owners from controlling signature gathering in front of their stores, even if customers are being harassed.**
-  **I-517 allows paid signature gatherers INSIDE public facilities — libraries, schools and sports stadiums like CenturyLink Field and Safeco Field.**
-  **Under I-517, any attempt to stop aggressive signature gathering — by you or by a business owner — could be a crime.**
